Special Internship Drive for SC/ST Candidates Pursuing Any Undergraduate and Post Graduate Courses

(BRACE, IASST Guwahati)

The Bhim Rao Ambedkar Centre for Community Empowerment (BRACE) at the Institute of Advanced Study in Science and Technology (IASST), is dedicated to advancing societal well-being through targeted initiatives in three primary areas—Science Awareness and Training, Science & Technology Interventions, and Rural Entrepreneurship Development—specifically designed for underprivileged groups, with a focus on Scheduled Tribe (ST) and Scheduled Caste (SC) communities. The Centre aspires to become a national and international center of excellence in cutting edge physical and life sciences research, cultivating scientifically advanced human resources to further societal development. BRACE is committed to leveraging the North-East region's natural resources and developing technologies to support sustainable socio-economic progress. Its objectives include raising regional science and technology awareness through community outreach and inspiring young talent to pursue careers in scientific research.

The Institute invites applications against the available vacancies (2025-2026) for short term internship (2 months) for SC/ST candidates in the following areas:

Subject area	Eligibility criteria
Life Science Division (As per Research Area of IASST)	Candidates currently pursuing undergraduate or postgraduate studies in any branches of Life Sciences
Physical Science Division (As per Research Area of IASST)	Candidates currently pursuing undergraduate or postgraduate studies in any branches of Physical Sciences. (Physics, Chemistry, Mathematical and

	Computational)
--	----------------

Application Procedure: Interested candidate should apply online in the institute website (www.iasst.gov.in) within 15 days from the date of publication of the advertisement. Incomplete applications and those received after the closing date will not be entertained. Candidates should submit a **No Objection Certificate** from the parent institute during online application submission. Those who are unable to submit NOC during application process should upload a self-declaration certificate. NOC submission is compulsory before joining the internship/dissertation/training at BRACE under IASST.

Selection Procedure: Only candidates belonging to the Scheduled Caste (SC) or Scheduled Tribe (ST) communities are eligible to apply. Applications will be shortlisted based on academic merit (Last final exam marks). The list of selected candidates will be published on the IASST website, and all decisions of the Admission Committee are final and binding; no further correspondence will be entertained.

Internship fee: Free

Candidates selected for internship will not be charged any fee.

Accommodation: Accommodation in institute's **BRACE dormitory** is subject to its availability during joining date. This programme is exclusively for SC/ST communities. The internship/training programme will start from December 2025.

IASST'S Right: If suitable candidates are not found in any discipline, IASST reserves the right not to fill up its position for the session.
